## Welcome to Aloe Lane Guest Lodge

Aloe Lane is a family-owned, 4-Star Boutique Guest Lodge which offers a private and luxurious bush-style destination experience. It is conveniently located just 30 minutes' drive from Oliver Tambo International Airport, halfway between the vibrant cities of Johannesburg and Pretoria, making it ideal for business or leisure. This secret gem is the perfect gateway to the region's wildlife wonders, culture and natural surroundings.

They say that there is nothing more sublime and serene than the beauty of an African sunset. So the lodge was designed to ensure that guests can experience this splendour from its beautiful pool deck and covered veranda.

Aloe Lane is also home to Napoleon, the giant tortoise, who adds his own character to the lodge. He loves attention, especially when guests feed him his favourite 'greens' - and he is definitely faster on his feet than he looks!

## Feel at Home

Aloe Lane's rustic Honesty Bar is called De Watergat, which appropriately means 'the Watering Hole' in Afrikaans. It offers a comfortable environment with cosy furnishings and a roaring fire in winter – a true home away from home. Guests can also relax in the Reading Lounge area and enjoy a good book from the library. It's the perfect tranquil setting for some well-deserved me-time.

The outdoor Boma with its open-air fire pit offers the perfect location for social gatherings or team building events. There is also the option of hosting a traditional South African 'braai' – or barbecue to the rest of the world!

## Luxury Accommodation

Aloe Lane has seven exquisite bedroom suites, which have been stylishly designed with superb attention to detail - for your enjoyment and sheer indulgence.

These include one President Suite, two Executive Suites and four Deluxe Suites. All four of our Deluxe Suites can be made up as twin rooms.

Each of our rooms offer ensuite facilities, tea and coffee station, DSTV, mini-bar, wi-fi and safe.

## Dining in Style

Aloe Lane's gracious and richly-decorated Dining Room is flooded with an abundance of natural light, yet still has a feeling of home. It has fold-back sliding doors which open onto the fountain courtyard on one side, and the verandah and pool area on the other side, and it has its own fireplace to warm the cooler evenings.

## Spoil your Loved One

The lodge's inviting and cosy Wine Cellar is the perfect place for some truly romantic ambience, with private dinners for two available on request. It can also accommodate a group of six, for a more unusual dining experience or a wine tasting event.

## Indulgent Wellness Facilities

A selection of wellness packages and treatments are available, providing the opportunity to relax and unwind – or alternatively we can create a customised package that is uniquely designed for you, by you! The perfect way to re-energise mind, body and soul after a long flight, a day of sightseeing, or even a day of meetings.

## Bespoke Conferencing and Events
